I am happy to know that Jagdish Chandra DAV College, Dasuya, Distt. Hoshiarpur, is going to celebrate its Golden Jubilee celebration on successfully completion of 49 years in the field of education by taking out Golden Jubilee Souvenir. I congratulate the Principal and the entire college on this joyous occasion. The DAV College Managing Committee, with its glorious and illustrious traditions, is rendering invaluable service to the cause of education through its around one thousand institutions ranging from schools and colleges to professional and technical institutions by blending modern education with our priceless ancient Vedic values in order to create well-rounded but duly skilled citizens capable of holding their own and proving their mettle in today's highly technologically advanced and competitive world.

I am happy to see that this college, being a strong link in the vast chain of DAV institutions, is acquitting itself well in various fields and fulfilling its obligations to the students including publishing a college magazine which is not only a valuable record of the achievements of any institution in various fields but also gives the faculty and the students an opportunity to let their imagination soar, their creative juices flow and express themselves in writing which, in any case, is a very important skill to acquire for proper and adequate mental growth.

I appreciate this laudable endeavors and wish the college a sustained further flowering and growth.

With best wishes

Message

It is a great pleasure to be a part of the exuberant celebration of Golden Jubilee Year of Jagdish Chandra DAV College, Dasuya, Hoshiarpur. Pt. Jagdish Chandra Sharma, social activist, deserves all respect for his vision to start this college by donating the land. Majestic reflection of the growth of the college since its inception in 1971 has been visible over the years and form an everlasting record in the Souvenir. The remarkable results in academics, university merit positions, accolades in sports, teaching orientations and glistening rewards in Zonal and Inter Zonal Youth Festivals along with substantial improvement in placements mark the golden future. The latest medals won in 19th and 20th National Para Athletics Meet echoes great progressing vibrations.

I wish the whole team at JC DAV College, Dasuya along with their Principal to reach the zenith of success in the coming years and grow more.

Best wishes

It is a matter of privilege for me to send a message for inclusion in the souvenir to be published on the occasion of Golden Jubilee celebrations of the college, on the successful completion of fifty years of glorious service in providing quality education to the aspirant students of this community.

The college has been and is imparting valuable education in several undergraduate and post graduate courses in addition to providing training in vocational fields. The college has been re-accredited with A grade by NAAC. It also runs NPTEL chapter by IIT Kanpur. It is delightful to find that the students of this college have performed exceedingly well not only in academics but also in sports, with the latest win of Silver Medal in 19th National Para-Athletic Championship.

Equally important it is to know that the college has successfully performed as an incubation center in promoting several innovations and in encouraging Entrepreneurship that has resulted in many students winning important positions in campus placements.

Such achievements, indeed, come only through dedication and consistently hard work in puts by the Head of Institute (Principal Amardeep Gupta) on the front line and the team of both the teaching and non-teaching colleagues.

My sincere felicitations to college staff and appreciation of the very valuable contributions that they have made and continue to make for the local community and society at large.

Feeling great to be a part of Jagdish Chandra DAV College, Dasuya's 50 Year old legacy encapsulated into this Souvenir. This document is not just a record rather a commitment to rise higher in the coming phase. Immense holdings in the University academic positions, envious records in sports over these years and remarkable positions in Zonal and Inter Zonal Youth Festivals showcase the inherent potential of the college to stay true to its vision and mission of imparting a blend of advanced technical, scientific and holistic education to society.

Glorious alumni of the college make a stupendous frame ensuring bright future to the new students coming in the future. Placements in number of MNC's and the presence of Institutional Innovation Council (IIC) in the college, NPTEL running in full swing and Inter College Sports achievements do stamp on a great fortune.

The Souvenir will reflect the sprinkled fragrance in the form of images, articles, activities, creative foot prints a noble attempt to carry forward the great and noble legacy of DAV and Arya Samaj.

I wish all the very best to the whole team.

I, on the behalf of entire fraternity of DAV congratulate you on the Golden Jubilee of JC DAV College, Dasuya. The conducive learning environment that is being provided to the learners by the miraculous and imperturbable teachers is the result of top notch positions being bagged by the college. The learning environment being provided by your organization is all about curiosity, collaboration and blended learning. All these approaches are crucial to have a holistic personality of a learner.

Completing forty nine years is a significant milestone and it is also a testimony to the years of commitment and hard work put in by you and your team of teaching and non-teaching staff. We hope that you shall keep the DAV flag flying high by actively striving to inculcate in the DAV learners love for learning and the Vedic values cherished and upheld by our organization.

I further congratulate teachers, learners and all stakeholders for their long association in this beautiful journey of learning and growing together.

Good Luck !

Glad to know that Jagdish Chandra DAV College, Dasuya is coming up with its Golden Jubilee Souvenir commemorating the Golden Journey of the institution since 1971. For more than half a century, this premier institution has continued to champion student's welfare, pushing them towards achieving glory in academics, sports and extra curricular activities. May this Golden Jubilee celebration remind you not only of your triumph over the challenges in your institution, but also reignite in you the passion to serve the society more.

The medals won at the 19th & 20th National Para Athletic Championship and hosting of Zonal Youth Festival in the college campus last year validate the disciplined and progressive ambience of the college even though all of us just have been through a massive turbulence due to Covid-19. Looking forward to see more exuberant and colourful pages added to the present in the coming years.

I Wish Good Luck to all.

It exhilarates me to learn that JC DAV College, Dasuya is completing its wonderful journey of 50 years in 2021. It fills my heart with pleasure to note that the college holds a prominent position in educating young minds and working sincerely for their holistic growth. The dazzling accomplishments in the academics and sports indeed add to the glory, grandeur and goodwill of the college. This Souvenir will act as a messenger to the public at large in conveying its accomplishments. I am also pleased to know that the college has been re-accredited with 'A' Grade by NAAC with 3.29 CGPA in cycle II. It speaks volumes about the sincere efforts put in by you, your team & students to scale these immense heights. I am sure that in days to come, the college will keep shining as it does these days, with its dazzling accomplishments in all spheres.

I heartily felicitate you, your staff and students, with the strenuous efforts of whom, this publication has come into being. I wish it a grand success!

हर्ष का विषय है कि जे. सी. डी. ए. वी. कालेज, दसूहा अपने सफल 50 वर्ष पूर्ण कर स्वर्ण जयन्ती वर्ष 2021 में मना रहा है और इस अवसर पर एक स्मारिका का प्रकाशन भी किया जा रहा है।

मैं स्वर्ण जयन्ती समारोह एवं स्मारिका के सफल प्रकाशन के लिए अपनी ओर से एवं डी.ए.वी. कालेज प्रबन्धकर्त्री समिति की ओर से हार्दिक शुभकामनायें प्रेषित करता हूँ।

वर्ष 1971 से आज तक इस महाविद्यालय ने कई कीर्तिमान स्थापित किए हैं, चाहे वह शिक्षा का क्षेत्र हो, चाहे खेल का मैदान। इस महाविद्यालय को NAAC द्वारा 'A' ग्रेड मिला है जोकि अपने आप में एक बहुत बड़ी उपलब्धि है।

आपका महाविद्यालय आई आई टी कानपुर के साथ ऐतिहासिक सामंजस्य बनाते हुए विद्यार्थियों को शिक्षा प्रदान कर रहा है और इसमें विद्यार्थी उच्च स्तरीय मापदण्ड प्राप्त कर रहे हैं। इसके लिए आप बधाई एवं धन्यवाद के पात्र हैं।

मुझे इस बात का गर्व है कि जबसे आपने इस महाविद्यालय का कार्यभार संभाला है तब से यह महाविद्यालय दिन प्रतिदिन उन्नति की ओर अग्रसर है। परमपिता परमात्मा से प्रार्थना है कि आप स्वस्थ रहते हुए दीर्घायु को प्राप्त हों ताकि आपके नेतृत्व में यह महाविद्यालय ही नहीं अपितु स्वामी दयानन्द एवं महात्मा हंसराज जी की शिक्षाओं एवं मान्यताओं को ध्वजवाहक के रूप में प्रचारित करते हुए दिन प्रतिदिन उन्नति की ओर निरन्तर इसी तरह अग्रसर रहे। मेरी शुभकामनायें सर्वदा आपके साथ हैं।

Let me take this opportunity to convey my greetings to you and the entire college fraternity for the completion of the successful Golden Jubilee year. I was highly elated to know that your college has completed 50 years of service in the field of education and is going to release a souvenir to commemorate this significant occasion. It was heartening to trace the unswerving service provided by the college in imparting education towards the upliftment of the needy. The sparkling achievements of students in sports and co-curricular domains including the recent accolade won in the National Para-Athletic Championship clearly portray the earnest and dedicated endeavours of one and all. I was equally ecstatic to hear about the promising generation you are nurturing in your incubation centers including the innovation in organic farming or development of Live Projects by your students.

Heartiest congratulations to all the students who have made us proud by their persistent hard work to achieve success. For these commendable achievements, I acknowledge the tireless striving of all and convey my warm wishes and blessings to you and your staff and parents who have stood by the students throughout the session and worked wonders with their unflinching resoluteness. I truly hope that such triumphs will resonate in the future too.

It is a matter of immense pleasure and pride that J.C. DAV College, Dasuya has completed Golden Jubilee year in 2021, after successful completion of 50 years of meritorious service to the society by imparting quality education to the students under the guidance of DAV College Managing Committee, New Delhi. Accept my greetings and gratitude on the issue of the souvenir on this occasion.

The prestigious institution has risen to prominence by virtue of multifarious activities and ample opportunities have been provided to its students to explore their innate abilities and potential for the all-round development of personality. For the growth and reputation of any institution, we need studious students, dedicated staff, responsible and responsive parents. I am happy that the institution has all the components in ample measure. It is heartening to know the commendable achievements of the students in the recently declared results by the Panjab University, Chandigarh. It looks very promising and I am hopeful of the prospects of a bright future for the students and the institution. I am confident that the noble endeavour of the Principal, Management and Teachers would continue to inspire the students to live up to the expectations and academic standards and would enable them to win laurels.

The sterling contributions of principal, teachers, parent and DAV Management remind me of the dedication and sacrifices needed to build the institutions of eminence. Right education by righteous and learned teachers is an important factor in shaping the students' attitude. We should always remember Maharishi Dayanand and his philosophy. The pearls of wisdom of our respected President Dr. Punam Suri always rings in our ears when he says that God has created human beings but DAV has contributed to human values of honesty, compassion and truthfulness thus enriching humanity. The onus is now on our students who are future policy makers, administrators, etc. as they can solve the problems of the society by virtue of their genius, diligence and research. Therefore, it is our prime duty to inspire them to meet the growing challenges to root out evils and corruption from the society with the strong and sublime character empowered by Vedic values.

I wish you all success.

I am extremely happy to know that JC DAV College, Dasuya is celebrating its Golden Jubilee this year. With proud legacy of 50 years this premier institution has excelled in the field of education. The college was established by the leading luminaries of Arya Samaj, Dasuya. It was the vision of Late Pt. Jagdish Chandra Sharma, who contributed his might and material for the establishment of this prestigious college.

The college has become a coveted brand for those who want to experiment with the cutting edge of contemporary thought and creative expressions. It is for those who wish to give shape to their aspirations and cherished dreams. The college with its excellent staff is doing yeoman service not only in the field of academics but also in sports and extra-curricular activities. The college has been granted 'A' Grade by NAAC and an NPTEL chapter has been granted to the college by IIT Kanpur. This has been possible only through hard work, dedication by the teaching and non-teaching staff under the dynamic leadership of the Principal.

The college is famous for imparting quality education with vedic values to its students. The students of this college have carved a niche for themselves globally. The college has a wonderful record of placement in MNCs. This is firm belief that hard work, discipline, rich values and ethics imbibed by the teachers will enable the college to achieve many more laurels in the field of education.

My good wishes and God's Blessings to the College on the completion of 50 glorious years.

I am happy to learn that Jagdish Chandra DAV College, Dasuya, Distt. Hoshiarpur, Punjab, is observing the "Golden Jubilee" year 2021 and a Souvenir is being brought out to commemorate this event.

The magazine indeed is a mirror and a lamp for the youth to exhibit their talent & provide an opportunity to them to put forth their point of view on various burning issues in the social and economic milieu.

I am sure that your college magazine would succeed in creating and encouraging response from the young minds and they would sit back and pen down their seminal thoughts in the form of, articles, literature, poems, stories and essay. Besides, it would highlight the achievements of the college which, in turn, will become a source of inspiration for the future generation.

I congratulate Principal Dr. Amardeep Gupta and his editorial team over successful accomplishment of this venture to gauge the academic, extra-curricular and co-curricular index of the college. Keep going ahead and achieve still greater laurels in the field of academic & cultural excellence.

I am delighted to know that Jagdish Chandra DAV College, Dasuya has completed 50 years of its fruitful service to the cause of education in Dasuya and a peripheral expanse of around 50 kms.

The seed of educational service to the students of Dasuya & Kandi area was sown in the year 1971 has blossomed in to a big tree thus in form a multi faculty post graduate seat of learning in almost all streams. The college has appreciably attracted students from Punjab, Himachal & J&K areas.

I for one happen to be one of faculty members who started their career as lectures on July 14, 1971 at this college. As we rejoice and celebrate the occasion of Golden Jubilee today, it is imperative on us all to pay homage to the sense of sacrifice exhibited by Late Jagdish Chandra ji while coming forward to make the first donation for Rs. 50,000/- fifty years ago, thus making the dream of Arya Samaj, Dasuya and other public spirited persons of the area, come true. Mention must be made of Bibi Iqbal Kaur and S. Laxman Singh who joined hands with the local management.

It is sublime to see that the present Principal with his creative and visionary disposition is shaping the institution nicely and I hope soon we will see this college being decorated with highest grade by the NAAC. Having achieved that, we must not forget the spirit and the human sacrifice that lays embedded in the foundation of this sought after seat of learning.

I feel overwhelmed to share this moment of joy and happiness and pray to almighty to drive away any thing that may be detrimental to the interest of institution and bring about all auspicious brilliant things in its path ahead.

With best wishes

I am glad to learn that JC DAV College, Dasuya, Dist. Hoshiarpur, Punjab, has completed Golden Jubilee year of its existence. I am also delighted to note that a souvenir is being published by the college on this important occasion. I am sure, not only the achievements and progress made by this Temple of Higher Learning but also the creativity of the college students will be reflected in this souvenir. I am also glad to note that the college is doing a great work in promoting higher education amongst the masses of Kandi area and is also enabling youth through vocational courses, being run by it, to earn their livelihood through self employment. It is heartening and encouraging to note that youth having done vocational courses are earning name and fame, in different spheres, not only for themselves but for their alma mater too.

I hope that the college will continue enabling and empowering its students to meet life's challenges with knowledge supported by wisdom, ethical values, good decision making skills and respect for all.

I convey my good wishes and great success for the souvenir to be published by the college on the occasion.

The phone call from Principal Dr. Amardeep Gupta appeared as if the past had become alive and that I was re-living the past. Another call from Mr. Gopal Krishan made me realise that he was the only one of my days carrying the past to the present, and not dead wood like me and most of my colleagues then.

Images crowded and swam past the mind in quick succession. It was indeed a Dreamland. No, they were not dreams. They were real, the greatest reality being celebration of the Golden Jubilee of the college. That JC DAV College had grown fifty and movement of time had brought such a huge growth was something too hard to believe. Yet it was a reality the present unfolds. The fast and quick movement is like a milestone in that forward march from the nineties of the previous century when I was there to the present Gupta dynasty with a vision for the future. The fifty year period has seen strides of tremendous progress in the academic world as well as the non-academic field. That the JC DAV College is a postgraduate college with so many postgraduate departments is like wild imagination finding fulfilment. The addition of a single department in the undergraduate science course had brought wild jubilation to the college in my days, but when compared to the present, it all pales into insignificance. The present addition could make the soberest hold his head high with pride. My heartiest congratulations for the achievement that has been made possible with the co-operations of all, the faculty members, the non-teaching staff, students and above all the tireless work of all the principals including Dr. Amardeep Gupta. My heartiest congratulations for the Golden Jubilee celebrations. I pray for still greater heights that would make anyone envious.

Message

I was pleasantly wonderstruck to receive a telephone call from Principal Dr. Amardeep Gupta to write a message for the occasion of JC DAV College, Dasuya's Golden Jubilee Celebration, to which I readily gave my consent.

The Golden Jubilee Celebration is always an occasion for Jubilations, Celebrations and also for introspection and reflections. After more than two decades of my absence from the cosy, comfortable climate of Punjab, Dasuya, to the chilly and freezing winters of Canada, I had to transport myself back to India to realize the ambience of the college life and its activities.

During my short stay as Principal of JC DAV College, Dasuya, I could visualize the possibilities and potentialities of more academic programs, and addition of more facilities. Under the leadership and hard efforts of former Principals and present Principal Amardeep Gupta and his devoted and dedicated teaching and non-teaching staff, everything has been gloriously and adequately accomplished and consequently has won high standard accolades.

I feel gratified and excited to learn that the college is imparting quality education in five undergraduate and eight post graduate programs. The introduction of the Incubation Center is a commendable step that is the need of the hour. Here, the young minds can transform their innovative skills and ideas with viable business propositions as we find in developed countries like the USA and Canada. By providing more incentives in facilities like the incubation Center, vocational courses, information technology, we can further pique students' interests, skills, competencies, inquisitiveness, independent thinking, resourcefulness, self-confidence, et cetera; the characteristics required in the 21st century everyday life.

Olympiads in Tokyo beckon the educational institutions to realize the imperativeness and significance of sports, games and athletics in student's life. It is a matter of pride and glory that the college won a silver medal in the 19th National Para-Athletic Championship and opened vistas for further achievements.

Under the beacon light of DAV College Managing Committee's experienced and seasoned stalwarts, participation of L.A.C. of the college, leadership and guidance of the dedicated Principal and unstinted support of the teaching and non-teaching staff, JC DAV College, Dasuya will take rapid and firm strides in the all round development of the college and will also shape its students to be more creative, industrious, inquisitive and adorable human beings to serve the nation in general and the society in particular.

Here, sitting in Canada, I convey and extend my heartfelt wishes and greetings for the thumping success of JC DAV College's Golden Jubilee Celebration.

Best Wishes,

Dr. N. K. Arora

Message

It is heartening to note that JC DAV College, Dasuya has completed 50 years of its glorious service to the area and the college is celebrating its Golden Jubilee. During all the years since its inception, the college has contributed a lot in the field of higher education. It was set up by Sh. Jagdish Chandra in 1971. He donated every thing he had with him for the opening of this college. Stalwarts like Principal Chaudhary and Principal Ved Parkash Mehra served with distinction for the all round growth of this college. In the beginning, it was run by the local people but later on the college was handed over to DAV Managing Committee, New Delhi. Since then, it has been working under its control, Initially, it was an under-graduate college. The various Principals contributed to its growth in their respective terms. I had the honour to serve this institution from 1998 to 2004. The various post-graduate classes like M.Sc. Zoology, Physics, Chemistry, Maths, Computer Science, M.A. English, History and Punjabi were started and the college became a leading post-graduate college of the area. The college excelled in all student activities like academics, sports and cultural. The results of the college were outstanding and the achievements in sports were excellent. The college organised big functions and Chief Ministers S. Parkash Singh Badal, Captain Amrinder Singh and their cabinet colleagues visited the college. Students joined AIIMS, IITs etc. and the college made a name in the area.

Now the college is being administered by Dr Amardeep Gupta and he is trying his level best to improve its glorious traditions. I wish him success in his endeavour.

Message

It is a matter of immense pleasure that JC DAV College, Dasuya is in the Golden Jubilee year of its establishment. In these fifty years, it has grown in its stature from a small sapling planted in DAV School, Dasuya and later on replanted in the fertile soil of its present place. This was the vision of a great philanthropist and social worker, late Shri Jagdish Chander Ji, who contributed immensely to raise this temple of learning brick by brick with the help & cooperation of the people of the area. My native place happened to be in the area and I was lucky to be a part of the success and progress journey of this Institution as the Principal of this college for five years from 2005 to 2010 and was a witness to its achievement of 'A' grade by NAAC as the first college of the district to achieve this landmark distinction. This college is rendering a great service to the area by imparting advance level of instruction in almost all faculties. I wish that the college may scale new heights of progress, glory and continue to serve the people by imparting Quality education.

Message

I am extremely happy to know that DAV College Dasuya has completed its 50 years since its inception and the college is celebrating this year as the Golden Jubilee Year. I feel elated to reflect that during this journey, the college has created the highest scales in various scholastic and non-scholastic activities following the mission and vision of founder-fathers of DAV. Under the capable guidance and cutting-edge stewardship of Dr. Punam Suri Ji Padama Shree Awardee worthy President DAV CMC New Delhi. DAV College, Dasuya has reached the acme of glory and has become a paragon in the field of quality education and imbining quintessential vedic moral values in its pupils.

I convey my heartiest wishes for the forward march the college has been heading towards continuously with a great zeal and ardour and I wish that all your dreams may turn into reality and your efforts into great accomplishments.

With ever great wishes for the mighty occasion.

Warm wishes

Message

Dear Stakeholders,

I am greatly rejoiced and proudly place on record the Golden Jubilee of the college. I am honored to have the opportunity to lead a college with such legacy of persevering alumni, an extremely dedicated staff and a supportive community. I with utmost respect remember Late Pt. Jagdish Chandra Sharma, Freedom Fighter, visionary and philanthropist who donated land to start this college in the Kandi Area.

I am highly indebted to our worthy President Dr. Punam Suri, Padma Shree Awardee for his guidance and blessings, that makes us move ahead of others. His vision and guidance par excellence is the secret of our success and achievements.

To my mind, education as an idea, is not just about bricks, mortar and concrete; but about building character, enriching minds and about varied experiences that last a lifetime. Jagdish Chandra DAV College is fostering this complete idea as a whole since 1971. There has been a strong commitment to an integrated curriculum approach through inquiry learning. The development of higher order thinking skills, risk taking, adaptability, co-operation and communication techniques have formed the base of this massive academic institution.

The page is not enough to sketch out the details of growth of this college but definitely, the pages ahead will give you a glimpse of the majestic. Since its beginning, the development of the college had its foundation on the multi-dimensional growth ranging from Merit positions, Sports achievements, extracurricular awards, community extension activities and much more.

Aristotle said, "Educating the mind without educating the heart is no education at all." Even as we impart education to match the advancement in technology, digitalization and globalization, we march our students ahead with ethos of moral values and principles. Hope we continue with the same motto scaling new heights of success and glory as an institution.

Covid-19 has surely altered lives and disrupted normal life across the world. We all have faced the challenges and the changes. Friends, in a changing world, only the adaptable, stay ahead. Everything is in a constant state of flux. Make adaptability one of your constant characteristics & welcome the NEW!

Wishing you joy, health & wisdom.

ABOUT THE COLLEGE

JC DAV College, NAAC Grade A, is a premier educational institution of Panjab University Chandigarh which aims to nurture excellence in education. It emphasizes on fostering quality of human resources and promoting productive ideas that benefit the students. Since its inception, the college has focused on character building and idealism inspired by ten principles of Arya Samaj. The college embraces inclusivity and equitability as its founding principles. Promotion of women's education and ensuring a barrier-free, non-discriminatory, and supportive ecosystem for all members of the college are a priority at JC DAV College. The college is concerned primarily with creating an institution in tune with contemporary demands and enabling the holistic development of all its stakeholders. JC DAV's exponential growth over the past few years, its emphasis on research, entrepreneurial initiatives, skill development and ICT-enabled learning environment, are geared towards the facilitation of sustainable and self-sufficient system.

Footprints on the Sands of Time

Swami Dayanand Saraswati, the founder of the Arya Samaj, who unfolded the enduring values and concepts, stood up to defuse the great truth of knowledge and lofty ideals into the social, cultural, religious and educational texture of society.

Dayanand Anglo-Vedic echoes the blend of Vedic tradition and innovation via medium of progressive education and spirituality. Dayanand Anglo -Vedic is ever growing and embracing new ideas without disregard to eternal values, pursuit of knowledge with utmost sincerity and integrity of consciousness. Considering education to be a catalyst of social transformation DAV College Managing Committee laid emphasis on teaching both boys and girls in the art and science of life, and in technical skills so as to broaden their mental horizons, unfold their innate abilities, and cultivate virtue.

JC DAV College a Co-educational Institute of Panjab University Chandigarh was established on July 1, 1971. The college was, established by the leading luminaries of Arya Samaj, Dasuya. After merging in the DAV Ocean in May 1, 1976, this great seat of learning has been enunciating the gospel of Swami Dayanand and imparting in the youth the code of discipline and morality.

Inception of JC DAV College

The saga started in the early 70's when a team of leading eminent personalities of Arya Samaj, Dasuya thought and took the initiative to start a degree college in the region of Dasuya. A journey of a thousand miles begins with a single step. On July 1, 1971, JC DAV College was born. What started as a small educational venture with a group of only 376 students in the first session has now assumed vast dimensions. The idea of this institution was conceived by the noble luminaries of Arya Samaj, Dasuya. After merging in the DAV Ocean on May 1, 1976, JC DAV College, now, an eternal link in the immortal chain of DAV fraternity.

Team work is one of the strength of the college. The combination of different streams and the growth of the college blend successfully due to the excellent team work exhibited by the former faculty members and principals. The trend of this team work which was set by our predecessors is still valued and cherished by the present principal Dr. Amardeep Gupta and his team.

The Odyssey Begins

JC DAV College : From Inception to Expansion

"First comes thought; then organization of that thought, into ideas and plans; then transformation of those plans into reality. The beginning, as you will observe, is in your imagination." - O.N. Hill

Change occurs because growth needs to happen. An effective growth mind set values efficiency, innovation and constant commitment to learning. The key is not just to preach growth but to provide the tools that make it possible. JC DAV College is committed to provide quality education and holistic development of all its associates. Under the leadership of young and dynamic Principal Dr. Amardeep Gupta and his dedicated team the college is progressing leaps and bounds to grow.

COURSES AND INFRASTRUCTURE

With the modest beginning of just two streams, today the college is running 16 courses under three main streams i.e. Science, Commerce and Humanities. Apart from these regular courses, in the last few years, a number of add-on courses have also been introduced. After this the college never looked back and continued with its academic expansion spree. With the advent of new courses the college started expanding its base of students and staff.

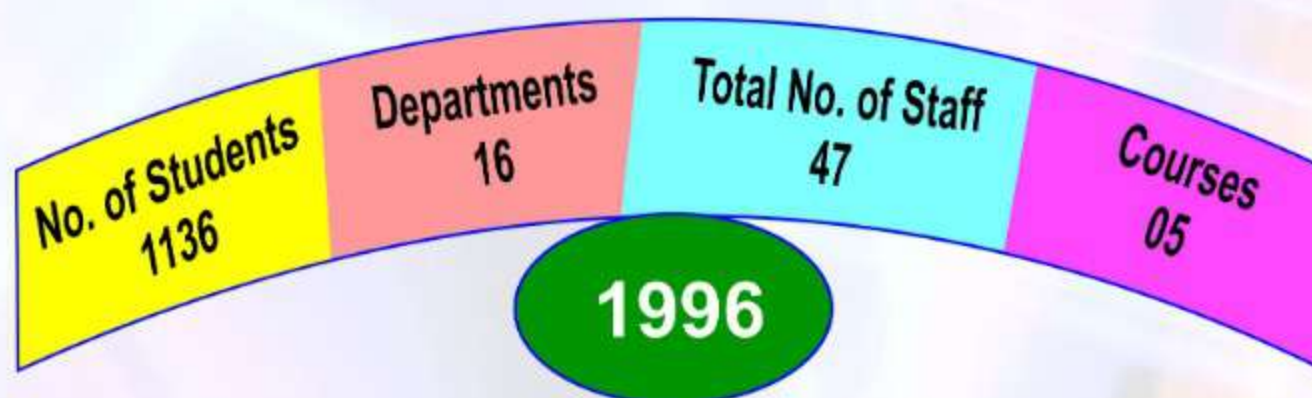

The Arts and Smt. Yashoda Rani Mehta Science block was constructed in 1976 and S. Lachhman Singh block in 1982. The college shifted its Admin and Principal's office to newly built block in 2004. With this Block the number of classrooms increased to 43. An elevated seminar room fitted with modern facilities was constructed in 2017 with a seating capacity of 250 persons. The college has a playground and courts of Basketball, Badminton, Volleyball etc. to support the Physical education department. The facility of language lab is also available to the students to enhance their communication skills in English. Laboratories are equipped with the complete set of the latest equipment and tools that cater to the needs of the students. The college has also created 5 computer labs which added feathers to the college's learning architecture. A Yagyashala was also constructed near the admin block in 2019. *Havan* is the most simple and effective way to tap the unlimited power of nature. It has a positive scientific basis. To inculcate peace and moral values among its Stakeholders. A *Havan* is performed at JC DAV College, Dasuya on regular basis.

The spread of pandemic Covid-19 has drastically disrupted every aspect of human life including education. Needless to say, the pandemic has transformed the centuries-old, chalk-talk teaching model to one driven by technology. The faculty of the college adopted the online methods of teaching. The college has fully equipped itself to cope with the challenges while imparting education to its students.
